

My Lil' Mailbox

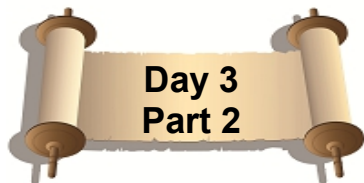

Meow, shalom friends! My name is Katie the Kitten and it's so nice to meet you! What's your name?

I hear you've been learning about water. Have you been enjoying the lessons? I know it was fun making weather in your kitchen!

Well, I'm a curious kitten and I'm ready to explore some of the beautiful plants, trees, and food that Elohim made on Day 3. Let's get started!

Katie 

And Elohim said, "Let the earth bring forth grass, the plant that yields seed, and the fruit tree that yields fruit according to its kind, whose seed is in itself, on the earth." And it came to be so.

And the earth brought forth grass, the plant that yields seed according to its kind, and the tree that yields fruit, whose seed is in itself according to its kind. And Elohim saw that it was good.

And there came to be evening and there came to be morning, the third day.

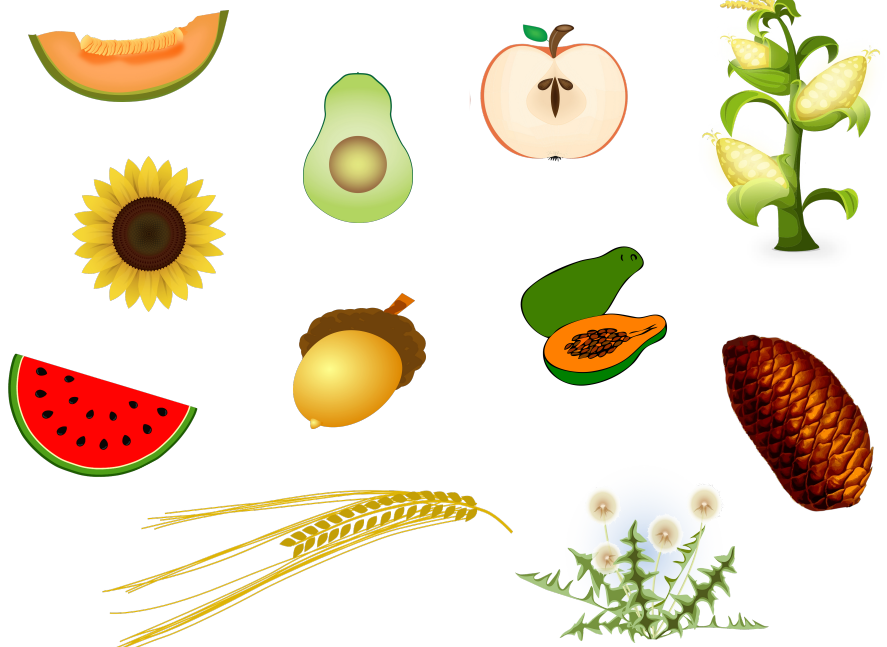

Genesis 1:11-13
ISR

Yah in His wisdom filled the earth with plants containing seed that would cause there to always be new plants, new flowers, new trees, and food growing for us to eat! Notice that He saw it was all good!

Do you recognize any of these? Circle your favorites! Maybe you can think of other plants... what might they be?

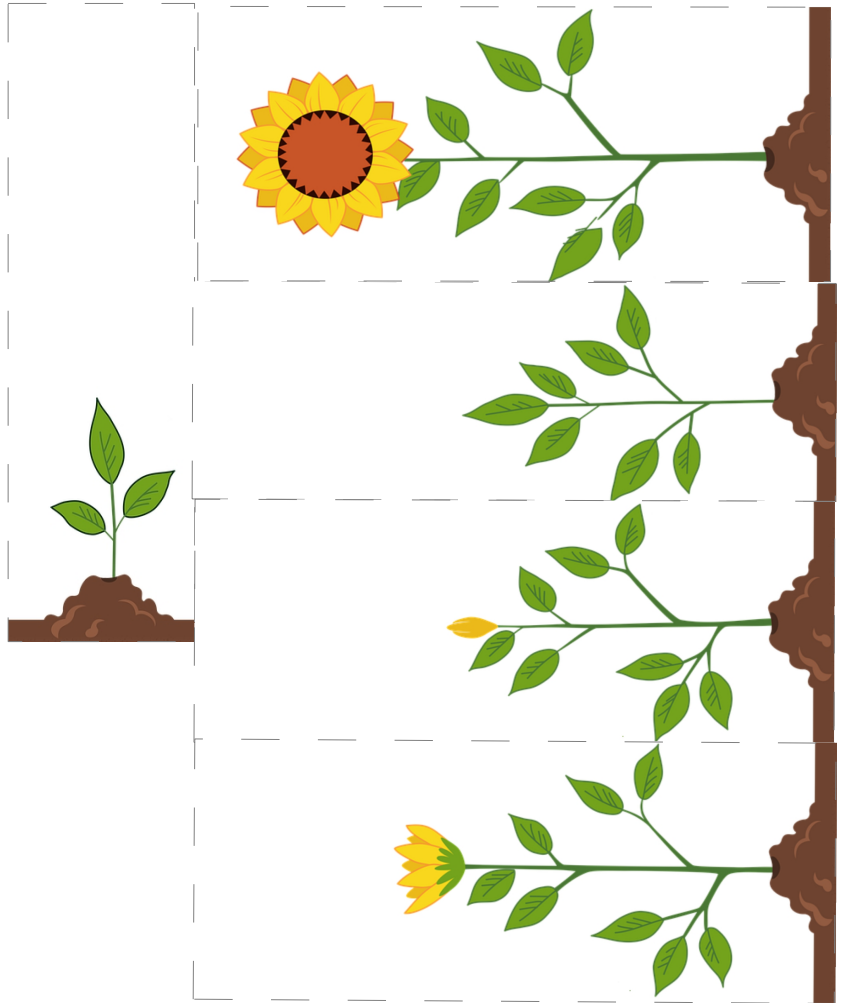

I spy with my little eyes
something that has a SEED!

Take a trip outside or maybe
even in your kitchen to see
how many seeds you can find
from plants created on Day 3.

You can draw or take pictures
of all your finds.

OUTSIDE

INSIDE

Cut out the boxes and help your sunflower grow
from sprout to flower!

Do you remember how the sunflower starts
growing? From a seed from another sunflower,
just as Elohim created it to.

Abba Yah, we thank You for
creating a world for us to live
in, and for plants with seeds
that feed and shade us.

Your Word says that a tree is known by its fruit.
May we be planted by the waters and bear fruit
that shows we love You! Amein.
